

第11届广州国际渔业博览会

THE 11TH GUANGZHOU INTERNATIONAL FISHERIES & SEAFOOD EXPO

Invitation Letter

August 18, 2025

Dear Distinguished Guest,

China is the world's largest nation in aquaculture production, processing, distribution, trade and consumption. In 2023, the country's total aquatic output reached **71.1617** million metric tons, of which Guangdong Province alone contributed approximately **9.2385** million metric tons. To accelerate the high-quality development of the fisheries sector, align with the national vision for a modern fishing industry, and implement the spirit of the central government's No. 1 Document while fostering both domestic and international economic circulation, the **11th China International (Guangzhou) Fishery and Seafood Exposition 2025**, guided by National Aquatic Products Extension Station, Guangdong Provincial Agricultural Extension Center, Bureau of Agriculture and Rural Affairs of Guangzhou Municipality, hosted by China Fishery Association, Guangdong Aquatic Products Marketing and Processing Alliance, Guangdong Fishery Association and Guangzhou Boyi Global Exhibition Co.,Ltd and Co-organized by Asian Fisheries Society, will be **held on 11th to 13th September 2025** at China Import & Export (Canton Fair) Complex in Guangzhou, Guangdong, China.

To help exhibitors reach broader **B2B** and **B2C** visitors, the FISHEXEXPO Guangzhou will have **40,000** m² exhibiting Area, bringing together more than **650** exhibiting companies. It is expected to attract buyers from **65** countries and over **150** professional purchasing delegations, with on-site visitors projected to exceed **65,000**. Combined online and offline traffic is anticipated to surpass **20** million impressions. Global Fisheries China Best, China Fisheries Guangdong Best!

We sincerely invite you to participate in FISHEXPO GUANGZHOU 2025 , attend its opening ceremony and related activities.
